These must be followed when using these facilities to ensure the safety of all users!!

1. On entering you will need to sanitise your hands. Sanitising Stations can be found at the Reception Desk and on each of the courts Score Benches.
2. Move directly to the area that your sport or activity will be held.
 - a. You'll then be guided by the staff/umpires overseeing that sport or activity.
3. During the game, try to keep contact to a minimum. Most of the Sports we play ARE supposed to be non-contact. So do your best to comply.
4. Bibs will need to be used for some of our sports (these indicate positions). Once you have chosen that position (bib), it cannot be shared with another team mate!!
5. At this point in time (due to restrictions) can we keep spectators to a minimum. If parents have children that need to attend, they will need to be seated on the Balcony Area for the duration of the game.
